

# together we can stop litter

We're trying to get **South Milford** litter free - Can you help?  
The volunteers of the South Milford Clean Team litter pick around the village every month but the litter still accumulates

## Does anyone in your household:

- Drop litter
- Forget to use the waste bins around the village
- Throw bottles, sandwich boxes, beer cans and other litter from car windows
- Allow their dog to mess the pavements  
*(without clearing up afterwards)*

## What can you do?

- Take litter home with you
- Put litter in a bin
- Clear your dog's mess up *(don't throw it in the bushes)*
- Ask everyone in your household to get South Milford litter free
- Join the litter picking team *(we meet outside the School gates on the first Saturday in every month at 9.30am)*

## It's a mess

But it's a lot better than it used to be

## What should you do if you see litter?:

- Put it in a nearby bin (if it's safe to do so)
- Report accumulations of litter
- Report fly tipping
- Report dog mess

Phone: **01757 292044** or
